-

QUALITY CONTROL CHECKLIST

Every Order Must: ✓ Be served hot ✓ Match build chart exactly ✓ Include correct condiments ✓ Include correct side portion ✓ Include requested sauces ✓ Be wrapped neatly ✓ Be delivered within 5 minutes of completion

WASTE CONTROL

- Use standardized scoops and portion cups.
- Never estimate sauce portions.
- Follow exact topping counts.
- Discard any burger held longer than 15 minutes.
- Discard fries and onion rings held longer than 7 minutes.
- Record waste every shift.

Consistency creates repeat customers. Every burger should look and taste identical regardless of who prepares it.
